**LWL GROUNDS**

There will be food available on the grounds.

There will be a Tack Store on the Grounds.

Portable washrooms on site.

Water available for horses.

Portable horse corrals available, booking and paid corrals before june/10/2008 \$40.00 for the weekend first come first serve. **Contact Danny Richard 432-1493**

**NOTICE**

This year corrals attach to the horse trailer in the parking field will not be allowed for anyone.

Parking field is for trailers & trucks with horses tied to trailers only.

Corrals will be allowed in the field over next to the parking fields, this change is made

cause the ground in that field is to soft for trucks and trailers but by installing corrals in that field the parking field will have more room for trucks and tralers.
